**Leadership 100 Grants**

Through the generous support of Leadership 100, we have:

1. Supported and expanded our offering of monthly BeeTreats  
2. Greatly improved the studio space we use for video production  
3. Begun developing a cutting-edge video Introduction to Orthodox Christianity, which we hope to finalize by the Spring of 2021  
4. Begun planning new seminars to help ministry workers connect and develop their skills in forming a new generation of Christians

We are incredibly grateful to Leadership 100 for sharing our vision of ministry and helping us take concrete steps in improving the ministry support we offer to parishes and communities around the world.

Respectfully Submitted by:
